

BOAT HOUSE & SPORTS CENTRE

RIVER THAMES, PUTNEY

Won at competitive tender, this contract for a new boat house on the River Thames at Putney for Imperial College, London, involved construction techniques that had to take into account the part submerged nature of the facility and the tidal aspect of the river at that point.

Value: £1.5m

Client: Imperial College London

Duration: 46 weeks

Consultants Architects: John McAslan & Partners
Q/S: Leslie Clarke & Partners
