

## Ex Southwark Town Hall, Southwark, SE5 8UB

We have been awarded the project by Alumno Developments at the existing Southwark Town Hall and Theatre Peckham. This involves the conversion of the existing town hall to Student Accommodation, Artist Studios and a Café. A large number of existing features are being retained. There is a new side extension incorporating a new theatre with 5 floors of new student accommodation above. A total of 155 bed spaces will be provided. A new roof pavilion is being constructed over the existing building and the new student accommodation. Special features included a multi-faceted ceramic tiled façade to the theatre and a new roof pavilion clad in backlit polycarbonate. Programme duration of 80 weeks including demolition and alterations.
